MEMORANDUM FOR: Inspector General

SUBJECT : Annual Report on Status of Inspection Program

REFERENCE : Memo to IG from ExDir dtd 8 January 1973;
Subject as above

Supplemental to the special studies suggested in referent memorandum, may I add:

A review of the career service structure of the Agency and its responsiveness to current personnel management requirements. This includes how it reflects true lines of command authority, recognizes appropriate specializations which deserve separate promotion and career consideration, erects rigidities in personnel assignments and limits personnel development, and contains inconsistencies (real or apparent) in the career service breakdown of the different directorates and offices.
